Recommendation Letter for Barton Goldenberg

To whom it may concern:

I feel enthusiastic writing this recommendation letter, as Barton is one of the best visionary speakers and thought leaders I've met in the digital transformation space.

Creatio (www.creatio.com) has had the pleasure of working with Barton Goldenberg for many years. Creatio is a global software vendor of one platform to automate workflows and CRM with no-code and a maximum degree of freedom. Creatio is headquartered in Boston, MA. We have 700 employees in six offices and a local presence in 14 countries.

We have been engaging Barton as a featured guest speaker in numerous offline and digital events and webinars. Our community has been consistently providing exceptional feedback about the quality of content that Barton delivered, and this is reflected in the high attendance rate during his sessions. This year Barton's "Become a Digital Disruptor" keynote was an impressive presentation of relevant knowledge and digital trends. His enthusiasm and energy are contagious, and he is always capable of catching and keeping the audiences' attention.

We are fortunate to work with Barton, his friendly and highly professional approach make him an ideal speaker and advisor.

I would heartily recommend Barton Goldenberg to speak at your events, as Creatio is looking forward to working with him in the future.

Sincerely,

Katherine Kostereva
CEO of Creatio
